

THE MOVEMENT FOR PALESTINE MUST ALSO BE A MOVEMENT AGAINST THE POLICE

Police departments maintain the interests of genocidal politicians and corporate elite locally, while the U.S. and Israeli armed forces maintain them on an international scale. All successful movements for Palestine will encounter some police response because our strength scares them. Prepare for this, but do not let anxieties that you are not prepared enough defer action.

STAY MOBILE, STAY TOGETHER, FIGHT BACK AGAIN AND AGAIN. THE RISKS WE REFUSE TO TAKE TO END THE GENOCIDE NOW ARE SHIFTED ON TO SOMEONE ELSE, LATER. WE OWE EVERYTHING TO GAZA.
