Verity Vote and John J. Cobb, as the above-named complainants, believe that sufficient evidence exists for violations of the Help America Vote Act, 52 U.S. Code § 21083 (Pub. L. 107–252, title III, § 303, Oct. 29, 2002, 116 Stat. 1708). This is the attachment referred to in the Department of State’s Statement of Complaint form. This complaint is being filed under 25 Pa. Stat. § 3046.2.

Introduction

1. This complaint is made under the State of Pennsylvania Department of State, Bureau of Commissions, Elections and Legislation Complaint Process and includes claims of violations of the Help America Vote Act (HAVA), 52 U.S. Code § 21083 (Pub. L. 107–252, title III, § 303, Oct. 29, 2002, 116 Stat. 1708) regarding federal elections in Pennsylvania. These violations have occurred, are occurring, and continue to occur. HAVA requires respondents Pennsylvania Department of State and Pennsylvania Acting Secretary of the Commonwealth and election officials, by themselves, respectively, to maintain and implement a statewide voter registration system. Pennsylvania implemented the Statewide Uniform Registry of Electors (SURE) system to comply with the statewide voter registration HAVA requirement. 25 PA. CON. STAT. 1222. HAVA requires the Pennsylvania Secretary of the Commonwealth to maintain SURE without delegating to third-party organizations. However, evidence reveals that the Secretary’s office is delegating its authority or sharing voter data or both with Electronic Registration Information Center (ERIC), The Center for Election Innovation & Research (CEIR) or other third-parties. Complainants seek an administrative determination, declaration or declaratory judgment that the Secretary of the Commonwealth’s agreements with ERIC, CEIR, and allowance of other third-party access to SURE violates HAVA.

Parties

2. Complainant Verity Vote is a Pennsylvania-based group of investigators who volunteered to analyze issues of election integrity.
3. Complainant John J. Cobb is a citizen of Pennsylvania.

4. Respondent Pennsylvania Department of State is the state agency responsible for implementing SURE. The Department of State has violated HAVA.

5. Respondent Leigh M. Chapman is Pennsylvania's Acting Secretary of the Commonwealth. Acting Secretary Chapman is the election authority official who has violated HAVA.

Jurisdiction

6. The Pennsylvania Department of State, Bureau of Commissions, Elections and Legislation has jurisdiction over this complaint under federal law, 52 U.S.C. §21112 (a)(2), and the State of Pennsylvania Department of State, Bureau of Commissions, Elections and Legislation Complaint Process.

Request for Hearing on Record

7. Pursuant to 52 U.S.C. §21112 (a)(2)(E), the above-named complainants request a hearing on the record.

HAVA Violations

Pennsylvania Secretary of the Commonwealth's ERIC contract violates HAVA

8. The U.S. Constitution's Elections Clause states:

The Times, Places and Manner of holding Elections for Senators and Representatives, shall be prescribed in each State by the Legislature thereof; but the Congress may at any time by Law make or alter such Regulations, except as to the Places of chusing Senators.

U.S. Const., art. I, sec. 4, cl. 1.

9. Pursuant to the Elections Clause, Congress enacted HAVA to regulate statewide voter registration system databases. *Id.*

10. The complainants claim that HAVA requires respondent Secretary of State (Commonwealth) and Pennsylvania election officials, by themselves, respectively, to maintain and implement the statewide voter registration system database called the Statewide Uniform Registry of Electors (SURE).

11. HAVA requires Pennsylvania election officials, exclusively, to maintain SURE without the outside assistance of third-party entities.

12. Under HAVA, maintaining the statewide voter registration system database is seen as a core governmental function.

13. The governmental function of maintaining the statewide voter registration system, here SURE, cannot be delegated to any other organization.

14. The Secretary has entered into an agreement with Electronic Registration Information Center (ERIC) to share registered voter and non-registered voter information in the State of Pennsylvania. (ERIC Agreement). Pennsylvania is one of numerous state Members of ERIC. ERIC in turn, is to provide services with shared election related data for the alleged purpose of maintaining the State's registration lists. In addition, the State is contractually obligated to contact every non-registered voter and inform him or her how to register to vote.

15. The ERIC Agreement is meant to supplant Congressional or State legislative prerogatives in the absence of explicit election policy. This is shown by contractual mandates for

- a mechanism by which any eligible voter whose registration appears to have been erroneously processed or unprocessed shall be offered an opportunity to cast a ballot that will be counted;

- a mechanism by which an eligible voter may register to vote over the internet without need to complete and/or deliver a paper voter registration form; and
- a mechanism by which voter registration transactions performed at state agencies is more fully automated and reduces or eliminates paper transactions.

16. Under HAVA, maintaining the state voter database is seen as such a core governmental purpose that it cannot be delegated to organizations to share data. Nor does HAVA permit a non-profit corporation to direct the State through contractual mandates to create uniform election processes among all Members. However, in violation of HAVA, the Pennsylvania Secretary of the Commonwealth has contracted with ERIC to maintain and further implement SURE. This is legally unauthorized by federal law.

17. The governmental function of maintaining the statewide voter registration system, here SURE, cannot be delegated to any other organization like ERIC.

18. ERIC is a non-profit corporation with “members.” Exhibit A (Bylaws). ERIC asserts its purpose as an entity to engage in “meaningful, evidence-based reform of the election system in the United States.” Exhibit A, Attachment A at 13 (unsigned membership agreement). Pennsylvania has signed such a membership agreement. Exhibit B (Press release announcing Pennsylvania’s ERIC membership).

19. ERIC further asserts as its purpose to “lessen the burdens of government by facilitating the collaboration of states and local government units to conduct research, develop technology, and perform other charitable and educational activities designed to reduce the costs and increase the accuracies and efficiencies associated with their use of voter registration systems.” Exhibit A.

20. ERIC identifies “Members” as “solely...state, territorial governmental units, or the District of Columbia.” To that end, the member is represented by the “chief election official or a chief election official’s designee to act on the member’s behalf for all purposes related to the Corporation.” *Id.*

21. Pennsylvania is a member of ERIC. Exhibit B.

22. States and their election officials are to maintain and implement statewide voter registration lists. 52 U.S. Code § 21083 (Pub. L. 107–252, title III, § 303, Oct. 29, 2002, 116 Stat. 1708

23. Section 21083 (a)(1)(A)(viii) is accurately quoted as follows: a state’s “computerized list shall serve as the official voter registration list for the conduct of all elections for Federal office in the State.”

24. Section § 21083 (a)(1)(A) is accurately quoted as follows: “[E]ach State, acting through the chief State election official, shall implement, in a uniform and nondiscriminatory manner, a single, uniform, official, centralized, interactive computerized statewide voter registration list defined, maintained, and administered at the State level that contains the name and registration information of every legally registered voter in the State and assigns a unique identifier to each legally registered voter in the State (in this subsection referred to as the ‘computerized list’)....”

25. Section 21083 (a)(1)(A)(i), is accurately quoted as follows: “[The computerized list shall serve as the single system for storing and managing the official list of registered voters throughout the State.”

26. Section 21083 (a)(1)(A)(iv) is accurately quoted as follows: “The computerized list shall be coordinated with other agency databases within the State.”

27. Section 21083 (a)(1)(A)(v) is accurately quoted as follows: “Any election official in the State, including any local election official, may obtain immediate electronic access to the information contained in the computerized list.”

28. Section § 21083 (a)(2)(A), governing computerized list maintenance, is accurately quoted as follows: “The appropriate State or local election official shall perform list maintenance with respect to the computerized list on a regular basis”

29. Section § 21083 (a)(2)(A)(ii)(I) is accurately quoted as follows: “[T]he State shall coordinate the computerized list with State agency records on felony status.”

30. Section 21083 (a)(2)(A)(ii)(II) is accurately quoted as follows: “[T]he State shall coordinate the computerized list with State agency records on death.”

31. Section 21083 (a)(2)(A)(ii)(II) is accurately quoted as follows: “[S]tate[s] shall remove the names of ineligible voters from the computerized list in accordance with State law.”

32. Section 21083 (a)(3), governing the technological security of the computerized list (here, SURE) is accurately quoted as follows: “The appropriate State or local official shall provide adequate technological security measures to prevent the unauthorized access to the computerized list established under this section.”

33. Section 21083 (a)(5)(B)(i) governs the requirements of State officials, including the sharing of information in databases is accurately quoted as follows: ”Sharing information

in databases. The chief State election official and the official responsible for the State motor vehicle authority of a State shall enter into an agreement to match information in the database of the statewide voter registration system with information in the database of the motor vehicle authority to the extent required to enable each such official to verify the accuracy of the information provided on applications for voter registration. (ii) Agreements with Commissioner of Social Security. The official responsible for the State motor vehicle authority shall enter into an agreement with the Commissioner of Social Security under section 405(r)(8) [1] of title 42 (as added by subparagraph (C)).”

34. Based on these accurate quotes of the text of § 21083, HAVA requires that states and their election officials are to maintain and implement statewide voter registration lists.

35. Because HAVA mandates that states and their election officials are to maintain the statewide voter registration lists, that responsibility cannot be delegated to a third-party.

36. ERIC, as a non-profit corporation, is neither a “state” nor an “election official” of a state under HAVA.

37. ERIC, as a non-profit corporation, is neither a state agency nor federal agency under HAVA. ERIC is a third-party.

38. HAVA does not authorize voter data sharing or voter data use, or both, with third-party non-profit or for-profit corporate entities such as the non-profit entity ERIC.

39. ERIC has no authority to accept election related data from a statewide registration system, such as Pennsylvania's SURE, under HAVA the purpose of maintaining or implementing that system.

40. Likewise, the Pennsylvania Secretary of the Commonwealth has no authority to share election related data from a statewide registration system, such as SURE, with a third-party corporate entity under HAVA for the purpose of maintaining or implementing that system.

41. In contradiction of HAVA, Secretary of the Commonwealth's ERIC contracts authorize the transmission of information and data related to the registration of electors in this state, by the Secretary of the Commonwealth, to the ERIC for processing and sharing with other ERIC Members.

42. Secretary of the Commonwealth has contracted with ERIC to maintain and in furtherance of implementing SURE.

43. The Secretary of the Commonwealth's agreement with ERIC requires the Secretary of the Commonwealth to transmit information and data related to the registration of electors in this state to ERIC for processing and sharing with other member states and governmental units.

44. The Secretary of the Commonwealth currently has a voter-data-sharing and voter-data-base use agreement with ERIC.

45. For example, after entering the Agreement, the Secretary agreed on behalf of the State, as the agreement mandated, to transmit to ERIC which is accurately quoted in part

as “all inactive and active voter files...” and all licensing or identification records contained in the motor vehicles database....”

46. After entering into the ERIC Agreement, the Secretary agreed on behalf of the State to use her best efforts which is accurately quoted in part, “to transmit, on a regular basis, data relating to individuals that exists in the records of other agencies within its jurisdiction that perform any voter registration functions, including, but not limited to, those required to perform voter registration pursuant to the National Voter Registration Act, 43 U.S.C. 1973gg-5....”

47. In turn, the Secretary for the State through the ERIC Agreement, is mandated to contact citizens who have not registered to vote and inform them how to register to vote. Paragraph 5a is accurately quoted in part as follows: “When the Member receives ERIC Data regarding eligible or possible eligible citizens who are not registered to vote, the Member shall, at a minimum, initiate contact with each and every eligible or possibly eligible citizen and inform them how to register to vote....” Exhibit A.

48. In addition under paragraph 5c of the ERIC Agreement, accurately quoted in part as follows, the Secretary has obligated the State to provide “a mechanism by which any eligible voter whose registration appears to have been erroneously processed or unprocessed shall be offered an opportunity to cast a ballot that will be counted....” *Id.*

49. In addition under paragraph 5d of the ERIC Agreement, accurately quoted in part as follows, the Secretary has obligated the State to provide “a mechanism by which an eligible voter may register to vote over the internet without need to complete and/or deliver a paper voter registration form.” *Id.*

50. In addition under paragraph 5d of the ERIC Agreement, accurately quoted in part as follows, the Secretary has obligated the State to provide “a mechanism by which voter registration transactions performed at state agencies is more fully automated and reduces or eliminates paper transactions.” *Id.*

51. In return, ERIC sends voter record updates to the Secretary of the Commonwealth.

52. Data the Secretary shares with ERIC is subsequently shared with other third-parties, including The Center for Election Innovation & Research (CEIR).

53. Moreover, the Secretary’s entering into the ERIC Agreement reflects an effort to supersede the State’s legislative policy limitation to the verification of the “current residence and voter registration status of electors” to force the implementation of public policies by an out-side non-profit organization of Members and not by the Secretary’s Office itself, resulting in the violation of HAVA by means of database sharing.

54. Regardless, under § 21083, Congress has limited Secretary of the Commonwealth’s database sharing and uses to the state’s motor vehicle authority and to the Commissioner of Social Security.

55. The database sharing with ERIC and the database used by ERIC are legally unauthorized under HAVA.

56. Pennsylvania’s contract with ERIC authorizing database sharing and database uses by ERIC violates HAVA.

57. The complainants seek an administrative determination, declaration or declaratory judgment that the Secretary of State's agreements with ERIC permitting ERIC database sharing and database uses are violations of HAVA.

Pennsylvania Secretary of the Commonwealth's CEIR agreement violates HAVA

58. Pennsylvania, through the Secretary has also entered into a grant agreement with The Center for Election Innovation & Research (CEIR) on October 1 2020. Exhibit C-1 (grant agreement); C-2 (first amendment to the agreement); and C-3 (second amendment to the agreement).

59. CEIR is a non-profit corporation organized under the laws of Delaware with its principal place of business in Washington D.C. CEIR advertises itself as a non-partisan organization that creates lists of unregistered, but eligible-to-vote potential voters (also known as "EBU," eligible but unregistered). CEIR then distributes those lists back to ERIC.

60. Provision 6 of the grant agreement between Pennsylvania (grantee) and CEIR (grantor) is accurately quoted in part as follows: "Grantee hereby grants CEIR a nonexclusive, irrevocable, worldwide, royalty-free, sublicensable license to use any Project Work Product in connection with its research, educational initiatives, or other work. In addition, should CEIR wish to conduct research to study the initiatives funded by the Grant, for example, measuring the impact of the educational communications, Grantee agrees to cooperate with CEIR, including providing data, as CEIR reasonably requests."

61. Pennsylvania agreed to share data voter-registration-related data with CEIR.

62. The agreement between Pennsylvania and CEIR included "outreach to additional citizens included on the ERIC "EBU refresh" list." Exhibit C-2.

63. In this agreement, Pennsylvania as grantee represented that it was legally authorized to enter into the agreement and was complying with all federal laws. Exhibit C-1 at 3.

64. CEIR, as a non-profit corporation, is neither a “state” nor an “election official” of a state under HAVA.

65. CEIR, as a non-profit corporation, is neither a state agency nor federal agency under HAVA. CEIR is a third-party.

66. The database sharing with CEIR is legally unauthorized under HAVA.

67. The Secretary of the Commonwealth’s agreement with CEIR violates HAVA.

68. The complainants seek an administrative determination, declaration or declaratory judgment that the Secretary of State’s agreement to share Department of State voter data with CEIR violates HAVA

Allowing Third-Party Partisan Entities Access to SURE via APIs Violates HAVA.

69. Pennsylvania implemented a state-run online voter registration integrated with SURE in 2015. Organizations running voting drives could link to the state’s website to facilitate voter registration without capturing private data on those voters.

70. Pennsylvania also allows third party entities access to voter registration systems via an Application Programming Interface (API). This allows third party organizations access to the SURE system and ability to grant access to other third-party organizations.

71. API are systems which allow third-parties to create their own voter registration which subsequently share with Pennsylvania’s SURE system while allowing the third-party to also capture the voter’s data.

72. Pennsylvania allowing third-party entities access to SURE allows those parties to capture otherwise confidential data on voters. *See, e.g.*, Exhibit C (archived webpage for [iwillvote.com](#) app).

73. Through API, partisan third-parties, including—but not limited to—the “Hillary Clinton Campaign” and “Rock the Vote” have been granted access to the Pennsylvania SURE system.

74. The Hillary Clinton Campaign was the organization that sought the election of Hillary Clinton to the office of President of the United States in 2016. The Hillary Clinton Campaign used the API to develop the [iwillvote.com](#) app that was turned over to the Democratic National Committee. The [iwillvote.com](#) app had access to the Pennsylvania voter registration system.

75. Rock the Vote advertises itself as a non-partisan organization that was chosen by the Secretary of the Commonwealth of Pennsylvania to collaborate with the Department of State on the Rock the Vote project through Pennsylvania Voice, a part of the State Voices Network.

76. Third-parties are neither state agencies nor federal agencies under HAVA.

77. Third-parties are neither “state” nor “election officials” of a state under HAVA.

78. There is no legal authority for the Secretary of the Commonwealth to grant third party access to the state SURE system.

79. Allowing third party access to voter registration systems is legally unauthorized under HAVA.

80. Pennsylvania's allowance of third party entities to access voter registration systems via API violates HAVA.

81. The complainants seek an administrative determination, declaration or declaratory judgment that the Secretary of State's allowance of API to capture voter registration data violates HAVA

Prayer for Relief

The complainants seek an administrative determination, declaratory relief, or declaratory judgment, or other relief available under the law, including but not limited to: a determination that the Secretary of State's agreements with ERIC permitting ERIC database sharing and ERIC database uses, the agreements with CEIR permitting CEIR database sharing and CEIR uses, as well as API data sharing are legally unauthorized under HAVA.

Any paid Membership Dues will not be refunded, and a member shall be responsible and liable for any dues assessed prior to notice being received. However, if a member who has resigned reapplies for membership in the same fiscal year, dues previously paid will be credited to their Membership Dues for that fiscal year. Such waiver need not specify the purpose or purposes of the meeting.

Section 12. Quorum, Vote, Proxy. A majority of the members of the Corporation, as represented by their respective Member Representatives, shall constitute a quorum at a meeting of members, and the affirmative vote of a majority of such members present at the meeting and

entitled to vote on the subject matter shall be the act of the members, except as otherwise provided herein. As permitted by Delaware law, a member entitled to vote on matters reserved to the Membership may do so by identifying a proxy for the Member Representative, who shall be a part of the Member Representative's staff or department. The Member Representative shall provide written notice to ERIC's Executive Director of the proxy within a reasonable period of time in advance of the meeting of the members.

Section 13. Written Consent of Members. Any action required or permitted to be taken at a meeting of the members may be taken without a meeting if the members having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting of the members consent in writing or by electronic transmission to the adoption of a resolution authorizing such action. Each resolution so adopted and the writings or electronic transmissions evidencing such consent by the members shall be filed with the minutes of the proceedings of the members.

Each resolution so adopted and the writings or electronic transmissions evidencing such consent by members of the Board of Directors or such committee shall be filed with the minutes of the proceedings of the Board of Directors or such committee.

Any one or more members of the Board of Directors or of any committee thereof may participate in a meeting of such Board or committee by means of a conference telephone or similar communications equipment allowing all persons participating in the meeting to hear each other at the same time. Participation by such means shall constitute presence in person at a meeting.

ARTICLE IV

Section 3. Service of Committees. Each committee of the Board of Directors shall serve at the pleasure of the Board. The designation of any such committee and the delegation thereto of authority shall not alone relieve any director of his or her duty under law to the Corporation.

Section 4. Records. Minutes shall be kept of each meeting of each committee. Copies of the minutes of each such meeting shall be filed with the corporate records and supplied to each member of the Board of Directors.

Section 5. Advisory Board. Such committee members shall serve in this capacity for terms of one year, not to exceed two consecutive one-year terms. In the event of a vacancy among the elected membership of the Executive Committee, in accordance with subsection d below, the Executive Committee shall take reasonable steps to propose a replacement to fill the unexpired term of his or her predecessor.

The Board of Directors may appoint other officers, who shall have such authority and perform such duties as may be prescribed by the Board. Any two or more offices may be held by the same person, except the offices of Chair and Secretary. If an office becomes vacant for any reason, the Board of Directors may fill such vacancy. Any officer so appointed or elected shall serve only until such time as the unexpired term of his or her predecessor shall have expired unless re-elected by the Board of Directors. Any officer may be removed by a vote of the majority of the entire Board of Directors with or without cause. Such removal without cause shall be without prejudice to such person's contract rights, if any, but the appointment of any person as an officer of the Corporation shall not of itself create contract rights.

Section 3. Powers and Duties of Officers.

(a) Chair. The Chair shall preside at all meetings of the Board of Directors. The Chair shall perform all duties customary to that office and shall supervise and control all of the affairs of the Corporation in accordance with the policies and directives approved by the Board of Directors.

The Secretary shall be responsible for the keeping of an accurate record of the proceedings of all meetings of the Board of Directors, shall give or cause to be given all notices in accordance with these Bylaws or as required by law, and, in general, shall perform all duties customary to the office of Secretary. The Secretary shall oversee the custody of the corporate seal of the Corporation, if any; and shall have authority to affix or cause to be affixed the same to any instrument requiring it; and, when so affixed, it may be attested by his or her signature. The Board of Directors may give general authority to any officer to affix the seal of the Corporation, if any, and to attest the affixing by his or her signature.

(e) Treasurer. The Treasurer shall be chair of the Finance Committee. The treasurer shall oversee the custody of, and be responsible for, all funds and securities of the Corporation; shall keep or cause to be kept complete and accurate accounts of receipts and disbursements of the Corporation; and shall deposit or cause to be deposited all monies and other valuable property of the Corporation in the name and to the credit of the Corporation in such banks or depositories as the Board of Directors may designate. Whenever required by the Board of Directors, and at the annual membership meeting, the Treasurer shall render a statement of accounts. The Treasurer shall at all reasonable times exhibit or cause to be exhibited the books and accounts to any officer or director of the Corporation, and shall perform or cause to be performed all duties incident to the office of Treasurer, subject to the supervision of the Board of Directors, and such other duties as shall from time to time be assigned by the Board. The Treasurer shall, if required by the Board of Directors, give such bond or security for the faithful performance of his or her duties as the Board may require.

Section 4. Executive Director. The Board of Directors shall hire an Executive Director who shall serve as the chief executive officer of the Corporation. The Executive Director shall have day-to-day responsibility for the management of the staff and programs of the Corporation, including carrying out the Corporation's goals and Board-approved policies. The Executive Director shall serve as an ex-officio, non-voting member of the Board of Directors; report on the progress of the Corporation's activities, publish by appropriate means all data received from the Members pursuant to the Membership Agreement, provide notice to members regarding any changes in their standing with regard to the Corporation, answer questions of Board members and carry out the duties described in the job description. The Board of Directors may designate other duties as necessary. The Executive Director shall report to the Chair of the Corporation.

Section 5. Agents and Employees. The Board of Directors may hire or appoint agents and employees who shall have such authority and perform such duties as may be prescribed by the Board. The Board of Directors may remove any agent or employee at any time with or without cause. The foregoing powers may be delegated to the Executive Director. Removal without cause shall be without prejudice to such person's contract rights, if any, and the appointment of such person shall not itself create contract rights.

Section 6. Compensation of Officers, Agents and Employees. Salaries or other compensation of officers, agents and employees may be fixed from time to time by the Board of Directors, or this power may be delegated to the Executive Director; provided, however that such salaries and compensation shall not be excessive in amount and shall be for services which are reasonable and necessary for performance of the Corporation's purposes.

ARTICLE VI

Miscellaneous

Section 1. Fiscal Year. The fiscal year of the Corporation shall be determined by resolution of the Board of Directors.

Section 2. Corporate Seal. The seal of the Corporation shall be circular in form and contain the name of the Corporation, the words “Corporate Seal” and “Delaware” and the year the Corporation was formed in the center. The Corporation may use the seal by causing it or a facsimile to be affixed or impressed or reproduced in any manner.

Section 3. Checks, Notes, Contracts. The Board of Directors shall determine who shall be authorized from time to time on the Corporation’s behalf to sign checks, notes, drafts, acceptances, bills of exchange and other orders or obligations for the payment of money; to enter into contracts; or to execute and deliver other documents and instruments.

Section 4. Books and Records. The Corporation shall keep at its principal office (1) correct and complete books and records of accounts, (2) minutes of the proceedings of its Board of Directors and any committee of the Corporation, and (3) a current list or record containing the names and addresses of all members, directors and officers of the Corporation. Any of the books, records and minutes of the Corporation may be in written form or in any other form capable of being converted into written form within a reasonable time.

Section 5. Amendments to Certificate, Bylaws and Membership Agreement. The Certificate of Incorporation may be amended in whole or in part by the members. These Bylaws may be amended or repealed, in whole or in part, by a two-thirds vote of the entire Membership. The Membership Agreement may be amended, in whole or in part, by a four-fifths vote of the entire Membership.

Section 6. Privacy. The protection of individual’s privacy being of significant importance to the Corporation, the Corporation shall take all reasonable and prudent actions to prevent and/or contest the disclosure of any personal or individual data held within the Corporation’s control to anyone other than the members.

Section 7. Indemnification and Insurance. The Corporation may, to the fullest extent permitted by law, indemnify any present or former director, officer, employee or agent or any person who may have served at its request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, whether for profit or not for profit, against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement, actually and reasonably incurred by him or her in connection with any threatened, pending or completed action, suit or proceeding whether civil, criminal, administrative, or investigative, to which he or she may be or is made a party by reason of being or having been such director, officer, employee or agent if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. However, there shall be no indemnification in respect of any claim, issue or matter as to which he

or she shall have been adjudged to be liable to the Corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

The Corporation shall have the power to purchase and maintain insurance to indemnify the Corporation and its directors and officers to the full extent such indemnification is permitted by law.

The Corporation may pay expenses (including attorneys' fees) incurred by an officer or director in defending any civil, criminal, administrative or investigative action, suit or proceeding in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such officer or director to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Corporation under this Article. Such expenses (including attorneys' fees) incurred by other employees and agents may be paid upon such terms and conditions, if any, as the Board of Directors deems appropriate.

In no case, however, shall the Corporation indemnify, reimburse, or insure any person for any taxes imposed on such individual under chapter 42 of the Internal Revenue Code of 1986, as now in effect or as may hereafter be amended ("the Code"). Further, if at any time the Corporation is deemed to be a private foundation within the meaning of § 509 of the Code then, during such time, no payment shall be made under this Article if such payment would constitute an act of self-dealing or a taxable expenditure, as defined in § 4941(d) or § 4945(d), respectively, of the Code.

If any part of this Article shall be found in any action, suit, or proceeding to be invalid or ineffective, the validity and the effectiveness of the remaining parts shall not be affected.

ELECTRONIC REGISTRATION INFORMATION CENTER, INC.

MEMBERSHIP AGREEMENT

This membership agreement (this “Agreement”) is made and entered into as of the ____ day of _____ 20__ (the “Effective Date”), by and between Electronic Registration Information Center, Inc., a Delaware nonstock corporation (“ERIC”) and _____ (the “Member”).

WHEREAS, ERIC was formed for charitable and educational purposes to engage in meaningful, evidence-based reform of the election system in the United States; and

WHEREAS, ERIC seeks to lessen the burdens of government by facilitating the collaboration of states and local government units to conduct research, develop technology, and perform other charitable and educational activities designed to reduce the costs and increase the accuracies and efficiencies associated with their use of voter registration systems; and

WHEREAS, ERIC seeks the direct involvement of states and local government units in furthering its charitable and educational purposes by such states and local government units becoming members of ERIC and furnishing voter registration and other data to help ERIC understand the needs of states and local government units with respect to their use of voter registration systems, and assist state and local government units in making their voter registration lists and processes more accurate, more complete, and fully compliant with federal, state and local laws; and

WHEREAS, in consideration for the Member’s performance as described below, ERIC will provide the service to the Members of sharing and processing data that relates to the maintenance of their voter registration lists and provide regular (at least on a monthly basis) reports to the Member.

NOW THEREFORE, in consideration of the foregoing, the terms and conditions hereinafter set forth and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Annual Dues. The Member shall pay annual dues to ERIC as determined by the ERIC Membership, pursuant to Article II, Section 5 of ERIC’s Bylaws. The Executive Directors shall invoice Members for dues and set a reasonable payment deadline. If the Member fails to pay dues by the payment deadline, ERIC shall not deliver, nor shall the Member receive, any services or data from ERIC until such payment is received. Any Member that fails to pay dues within ninety (90) days of a payment deadline shall be *automatically removed* as a Member in accordance with ERIC’s Bylaws (the “Bylaws”).
2. Voter Files and Motor Vehicle Records. The Member shall transmit to ERIC the following data related to its voter files and motor vehicle records (collectively, the “Member Data”).
 - a. A reasonable time after admission, the Corporation and the Member will agree upon a ‘Certification Date’ that obligates the Member to the following two sections

EXHIBIT A

herein. The Member shall be notified in writing by the Corporation of the Certification Date.

- b. Within sixty (60) days of the Certification Date, and at least every sixty (60) days thereafter, the Member shall transmit: (1) all inactive and active voter files (excluding those records that are confidential or protected from disclosure by law), including those fields identified in Exhibit B, and (2) all licensing or identification records contained in the motor vehicles database (excluding those fields unrelated to voter eligibility, such as fields related to an individual's driving record), including those fields identified in Exhibit B. Under no circumstances shall the Member transmit an individual's record where the record contains documentation or other information indicating that the individual is a non-citizen of the United States. Should Member believe it has an alternative source of data that is equivalent to or better than the motor vehicle database ("Alternative Data Source"), Member may apply in writing to the Executive Director of ERIC to substitute the Alternative Data Source for motor vehicle data. Such written application shall explain the basis for Member's assertion that the Alternative Data Source is equivalent or better and why using it will effectively serve the goals of ERIC. If, in the Executive Director's assessment, the request is reasonable, the Executive Director shall submit the Member's request to the ERIC Board of Directors ("ERIC Board" or "Board") for approval. If membership in ERIC is contingent upon a jurisdiction's ability to use an Alternative Data Source, the jurisdiction may seek approval of a data substitution request in advance of joining ERIC.
 - c. If the Member fails to transmit the required Member Data as described above, ERIC shall not deliver, nor shall the Member receive, any Data or services from ERIC until ERIC receives the required Member Data from the Member. Should Member fail to transmit Member Data in any sixty (60) day period as provided in sub-section b, Member shall, upon written notice from ERIC, have a thirty (30) day grace period in which to provide such Member Data. Should this grace period expire without a transmission to ERIC of Member Data from the Member, the Member shall be *automatically removed* from membership in accordance with the Bylaws. Member may submit a written appeal to the Executive Director of ERIC for a reasonable extension of the grace period deadline if Member is unable to meet that deadline because of a technical issue or a problem accessing or receiving the Member Data. Whether or not to grant the extension or to proceed to automatic removal shall be in the sole discretion of ERIC's Executive Director.
3. State Agency Records. The Member shall use its best efforts to transmit, on a regular basis, data relating to individuals that exists in the records of other agencies within its jurisdiction that perform any voter registration functions, including, but not limited to, those required to perform voter registration pursuant to the National Voter Registration Act, 43 U.S.C. 1973gg-5 ("Additional Member Data"). Notwithstanding this section, a state's failure to transmit Additional Member Data under this section shall not affect the Member's compliance with this Section or its standing as a member of ERIC.

EXHIBIT A

4. Privacy; Use of Data.

- a. **Use and Protection of Data:** The Member and ERIC shall use their best efforts to prevent the unauthorized use or transmission of any private or protected Member Data; Additional Member Data; and data included in reports provided by ERIC (“ERIC Data”) (Member Data, Additional Member Data and ERIC Data shall be collectively referred to as “Data”) in its possession. The Member represents and warrants that all uses and transmissions of Data originating from the Member to ERIC and/or ERIC’s agents, contractors or subcontractors comply fully with applicable state, federal and local laws, rules and regulations. The Member shall not use or transmit any ERIC Data for any purpose other than the administration of elections under state or federal law. Should a Member receive a request to disclose ERIC Data and determines that it is legally obligated, in whole or in part, to comply with such request, it shall not make the disclosure without first obtaining a court order compelling it to do so, a copy of which shall be provided to ERIC.
- b. **Unauthorized Use or Disclosure of Data--Member:** Should there be an unauthorized or impermissible use, disclosure or transmission of Data, regardless of whether it is accidental or intentional (for example, Member intentionally sells, distributes, publishes or uses any ERIC Data for any purpose other than election administration, including any commercial purpose) or the responsibility of a third party (collectively, “Unauthorized Disclosure”), Member shall, within ninety (90) days of ERIC receiving notice of the Unauthorized Disclosure a) explain in writing to ERIC that such Unauthorized Disclosure has been cured and how it was cured or, if the breach is not curable, provides a written explanation to ERIC of what steps it has taken to mitigate the risks to ERIC and its Members resulting from such breach; and b) provide a written explanation of what processes it has implemented to prevent such Unauthorized Disclosure in the future. Upon written application, the Executive Director of ERIC, in consultation with the Board Chair, may extend the deadline for Member to comply with this section. At its first meeting following the Member’s compliance with sub-sections a and b above, the Board will consider the information submitted by the Member and vote on Member’s continued membership. Should Member fail to provide any information in response to sub-sections a and/or b above, Member shall be *automatically removed*. To the extent permitted under each Member’s state law, the Member agrees to indemnify, defend and hold harmless ERIC against any claims related to the Unauthorized Disclosure.
- c. **Notice to ERIC:** Each Member shall report to the Executive Director of ERIC as soon as is practicable if a Member is required by law to sell, distribute, publish, disclose or use any ERIC Data for any purpose other than election administration. Each Member shall report to the Executive Director of ERIC immediately upon learning of any Unauthorized Disclosure.
- d. **Unauthorized Disclosure of Data-ERIC:** Should there be an unauthorized disclosure of motor vehicle data by ERIC, whether accidental or intentional or the

EXHIBIT A

responsibility of a third party (“ERIC Unauthorized Disclosure”), ERIC shall immediately give notice to Members. Understanding that ERIC’s primary source of funds are fees and dues paid by Members, and subject to consultation and approval by the Board, ERIC agrees to indemnify, defend and hold harmless state motor vehicle agencies against any claims related to an ERIC Unauthorized Disclosure of Data.

This provision 4 shall not be construed to limit any Member’s sovereign immunity, rights, claims or defenses which arise as a matter of law or pursuant to any other provision of this Agreement.

5. State Voter Registration Systems. To foster ERIC’s goal of improving the accuracy of state voter registration data, Members are strongly encouraged to establish a regular schedule for requesting ERIC Data with a minimum of one request every calendar year. When a Member Representative requests ERIC Data, upon receipt of such ERIC Data, the Member shall take the following actions in connection with the improvement of its state voter registration systems. (If Member rescinds in writing its request for ERIC Data within seven (7) business days of making its original request, the following requirements will not apply.) If a Member fails to make at least one request for ERIC Data for 425 days, ERIC will automatically provide ERIC Data within seven (7) business days of the 425th day, thereby triggering the following requirements.
 - a. When the Member receives ERIC Data regarding eligible or possibly eligible citizens who are not registered to vote, the Member shall, at a minimum, initiate contact with each and every eligible or possibly eligible citizen and inform them how to register to vote. Each Member shall have until October 1 or fifteen (15) days before the close of registration, whichever is earlier, of the next Federal General Election year to initiate contact with at least 95% of the eligible or potentially eligible citizens on whom data was provided and address validation was performed, as described above. Members shall not be required to initiate contact with eligible or possibly eligible voters more than once at the same address, nor shall Members be required to contact any individual who has affirmatively confirmed their desire not to be contacted for purposes of voter registration or is otherwise ineligible to vote in the Member’s jurisdiction. Should a Member need a brief extension in order to comply with the requirements of this section 5(a), Member may submit a written request to ERIC’s Executive Director setting forth the reasons for the extension request and providing a specific date when the required mailing will be sent. Members shall make every effort to submit extension requests at least two weeks before the deadline. Whether or not to grant an extension request or to proceed to automatic removal is in the sole discretion of ERIC’s Executive Director, and the timeliness of the request shall be a factor in the Executive Director’s determination. Members are entitled to request only one extension per Federal General Election cycle. No later than December 1 (or, if December 1 falls on a weekend, the next business day) following the Federal General Election, the Member Representative shall provide a written certification

EXHIBIT A

to the Executive Director of ERIC that Member has or has not complied with the provisions of this section. Members that have not complied with this section, or do not provide the written certification, shall be *automatically removed* from membership. If a Member adopts legislation or policies that have the potential to accomplish the objectives of this section by alternative means, Member may apply to ERIC for an exemption from the requirements of this section of the Membership Agreement by sending a written request to the Executive Director of ERIC and the Chair of the Board. Such written application shall explain the basis for Member's assertion that the alternative means will effectively achieve the objectives of this section. If the Executive Director of ERIC and the Chair of the Board believe the request is reasonable, it shall be presented to the Board for a vote and, if granted, a determination on the timing of implementation of the exemption.

- b. When the Member receives credible ERIC Data (meaning the state has validated the data) indicating that information in an existing voter's record is deemed to be inaccurate or out-of-date, the Member shall, at a minimum, initiate contact with that voter in order to correct the inaccuracy or obtain information sufficient to inactivate or update the voter's record. Each Member has ninety (90) days after the data was sent to initiate contact with at least 95% of the voters on whom data indicating a record was inaccurate or out-of-date, as described above, was provided.

Within ten (10) business days of the ninetieth day, the Member Representative shall provide a written certification to the Executive Director of ERIC that Member has complied or not complied with this section and, if out of compliance, the extent of such non-compliance. If Member is out of compliance, Member shall have a 30-day grace period, which begins on the 91st day, within which to complete the required contacts. 6. Voter Participation Data. ERIC recognizes that the appearance of improper voting, allegations of improper voting, and actual improper voting undermines public confidence in the electoral process and election outcomes. ERIC can be a tool to identify potentially improper votes, and refer them to Members for further investigation consistent with each state's laws. For the purposes of this Agreement, "improper votes" means votes cast by an individual who may have voted more than once in the Member jurisdiction at the same election, voted in more than one Member jurisdiction at the same election, or voted on behalf of a deceased voter within the Member jurisdiction.

Upon the written request of a Member Representative, ERIC shall provide the Member with data identifying voters who appear to have cast improper votes in a preceding election. Members shall not be required to request these data. Use or acceptance of these data shall not be a condition of membership.

To receive these data, Members shall submit a written request to the Executive Director at least 30 calendar days before the applicable election. In the written request, the Member must: (1) specify the election for which it requests data identifying voters who appear to have cast improper votes, (2) affirm that it will submit to ERIC voting history data for the applicable election in a manner consistent with how voter files and motor vehicle records are submitted to ERIC, (3) affirm that it will accept the requested data from ERIC, (4) affirm that it will complete a reasonable internal investigation of any possible improper votes before publicly releasing information about the data, and (5) affirm that it can protect the confidentiality of the individual-level data, either by state law or administrative rule, until the internal investigation is complete and the findings are turned over to law enforcement.

7. Single Point of Transfer. The Member shall designate and maintain a single point of transfer of data and a single data source/point of data per data feed.
8. Performance Data. Within 30 days of the date of execution of this agreement, and every one hundred eighty (180) days thereafter, the Member shall report to ERIC data relating to performance under this Agreement, as described in Exhibit C.
9. State Specific Requirements. From time to time, legislation or implementing regulations enabling states to become members of ERIC will contain state-specific membership requirements not applicable to all Members. Such state-specific requirements are set forth in Exhibit D.
10. Publicity. The Member shall not make or permit any person connected with it to make any announcement or statement purporting to be on behalf of ERIC, or use any logo, trademark, service mark, or business or trading name of ERIC or any other Member of ERIC without the prior written approval of ERIC or the affected Member, as applicable. Furthermore ERIC shall not make or permit any person connected with it to make any announcement or statement purporting to be on behalf of any Member, or use any logo, trademark, service

mark, or business or trading name of any Member of ERIC without the prior written approval of the affected Member.

11. Waiver. No waiver by any party for any breach by the other of any of the provisions of this Agreement shall be deemed a waiver of any preceding or succeeding breach of the same or any other provisions hereof. No such waiver shall be effective unless in writing and then only to the extent expressly set forth in writing.
12. Severability. The provisions of this Agreement are separate and severable, and the invalidity of any of them shall not affect or impair the validity or enforcement of the remaining provisions.
13. Assignment. ERIC may not sell, assign, or otherwise transfer any of its rights or interests or delegate any of its duties or obligations in this Agreement, without a majority vote of the entire Membership. The Member may not sell, assign, or otherwise transfer any of its rights or interests or delegate any of its duties or obligations in this Agreement, without the prior written consent of ERIC. Any sale, assignment, or transfer in violation of this Section is void and without effect.
14. No Partner or Agency. This Agreement does not constitute or create a partnership or joint venture with any Member or among the Members; appoint any Member as an agent for ERIC or any other Member, or appoint ERIC as an agent for any Member; or create any fiduciary obligations among the Members, except as may be expressly set forth in this Agreement.
15. Amendments. Amendments or modifications of this Agreement shall be effective immediately upon approval of such changes by the entire Membership in accordance with Article VI, Section 5 of the Bylaws.
16. Communications; Notices. All communications and notices that are required to be given by ERIC or a Member pursuant to this Agreement must be in writing and sent to the recipient either by electronic mail, personal delivery, overnight commercial courier service, or facsimile. Members may request a preferred method of delivery and the Corporation will make all reasonable efforts to oblige such requests. Communications and notices must be sent using the Notice Details set forth on the signature page of this Agreement, unless these details are changed by delivery of a written notice to ERIC, if the change related to a Member, or the Member, if the change relates to ERIC. The Executive Director of ERIC shall maintain or cause to be maintained a roster of Members that contains a compilation of Notice Details for each Member, and which shall be distributed periodically to the Members.
17. Counterparts. This Agreement may be executed in two (2) or more counterparts, each of which when fully executed shall be an original, and all of said counterparts taken together shall be deemed to constitute one and the same agreement.

18. Complete Agreement. This Agreement is the parties' final and binding expression of their agreement and the complete and exclusive statement of its terms. This Agreement cancels, supersedes and revokes all prior negotiations, representations and agreements between the parties, whether oral or written, relating to the subject matter of this Agreement.
19. Headings and Subsections. Section headings are provided for reference and do not constitute part of this Agreement.

Pennsylvania Joins Electronic Registration Information Center (ERIC) Matching System to Improve Accuracy of Voter Rolls

Harrisburg, PA -

Pennsylvania is the latest state to join the national record-matching consortium Electronic Registration Information Center (ERIC), Secretary of State Pedro A. Cortés announced today.

ERIC is a non-profit corporation governed by a board of directors composed of member states whose mission is assisting states to improve the accuracy of America's voter rolls and increase access to voter registration for all eligible citizens. Founded in 2012, ERIC's data matching services were developed with financial assistance from the Pew Charitable Trusts. ERIC is completely owned, governed and managed by state elections officials.

"Improving the accuracy of Pennsylvania's voter registration database is a priority for the Department of State. That's why we have been actively working with stakeholders and other states to find the right tool to achieve that goal. The best option we have found is ERIC," said Marian K. Schneider, Deputy Secretary for Elections and Administration for the Pennsylvania Department of State.

As of December 2015, other member states include: Alabama, Colorado, Connecticut, Delaware, Illinois, Louisiana, Maryland, Minnesota, Nevada, Oregon, Rhode Island, Utah, Virginia, Washington, and the District of Columbia.

Every 60 days, member states submit their voter registration data and limited information from motor vehicle records. All data is securely transferred and personally identifying information is anonymized before and after it is submitted to the ERIC data center. ERIC compares these records among states and with data from the U.S. Postal Service and Social Security Administration.

Unlike any current matching programs, ERIC compares multiple records – and multiple fields within each record – simultaneously, as well as accounting for name variations and transposed numbers. Also, matching techniques are more sophisticated across multiple databases so ERIC reports are more reliable and have fewer errors.

"Out of 14 ERIC states using the system as of November 2015, none have reported errors in the data, although care must be taken," said Secretary Cortés, who is Pennsylvania's Chief Election Official.

In addition, ERIC helps member states save money because more accurate voter rolls will result in less returned mail, fewer provisional ballots on Election Day and shorter lines at polling places. The first 20 member states to join ERIC are entitled to a seat on the Board of Directors. Deputy Secretary Schneider will represent the Commonwealth on the ERIC Board.

GRANT AGREEMENT

This grant agreement (“Agreement”) is between The Center for Election Innovation & Research (“Grantor” or “CEIR”), a non-profit corporation organized under the laws of Delaware with a principal place of business located at 1120 Connecticut Ave. NW, Ste. 1040, Washington, DC 20036, and Pennsylvania Department of State (“Grantee”), located at 302 North Office Building, 401 North Street, Harrisburg, PA 17120. This Agreement is effective the last date signed below.

NOW, THEREFORE, in consideration of the mutual obligations stated herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. Grant Amount and Use of Grant Funds: CEIR has authorized a grant in the amount of **\$12,000,000** for initiatives that provide voter education, information, and communication to ensure safe, secure and informed November 2020 elections, particularly in the face of challenges posed by the COVID-19 pandemic (“Grant”). Grantee may use the Grant for any of the specific initiatives in the amounts set forth in the budget attached as Exhibit A and incorporated herein by reference (the “Project”). However, Grantee shall not reallocate funds among the Grant initiatives without obtaining CEIR’s prior written approval. Grantor is legally required to expend funds only for charitable, scientific, literary, or educational purposes. Therefore, Grantee agrees to use the Grant, together with any interest earned from the investment of the Grant, solely for the Project.
2. Grant Spending Deadline and Unspent Funds: Grantee shall expend all funds no later than **December 18, 2020** (“Spending Deadline”). Grantor will not be able to extend the Spending Deadline. Any Grant funds that are unspent as of the Spending Deadline must be returned to CEIR no later than **February 12, 2021**, following submission of a final report as set forth in section 4 below.
3. Payment Term: CEIR shall pay this Grant in one (1) installment(s) by electronic transfer, with the first installment paid within ten (10) days of the execution of this Agreement.
4. Reporting and Recordkeeping/Right to Inspect:
 - a. **Interim Reports**: On **October 23, 2020** and **December 18, 2020**, Grantee shall provide CEIR an interim financial report showing funds expended/committed to date against the top-level budget categories set forth in Exhibit A (e.g., direct mail and/or paid media and/or other communication). Estimated expenditures are acceptable. If applicable, Grantee shall indicate whether the amounts included in the reports are estimated and shall explain any variation between the top-level budgeted amount and the amounts expended/committed.
 - b. **Final Report**: No later than **January 29, 2021**, Grantee shall provide CEIR with a final report containing the following information: 1) brief narrative description

summarizing what was accomplished under the Grant (1-3 pages); and 2) a final and full financial accounting showing the actual funds expended against the complete budget (i.e., not just top-level categories) attached as Exhibit A, including identifying funds, if any that must be returned to CEIR by **February 12, 2021** in accordance with section 2 above. The final financial report shall include a statement by a responsible financial officer certifying its accuracy. If CEIR needs information from Grantee, for example to satisfy obligations CEIR might have to its funders, either in advance of or after the final report, Grantee agrees to timely provide such information to CEIR as CEIR reasonably requests.

- c. **Recordkeeping/Right to Inspect:** Grantee shall maintain complete and accurate records of its expenditures relating to the Grant and agrees to make such records available for inspection by Grantor during regular business hours, provided Grantor provides reasonable advance notice of such inspection. Any such inspection shall be Grantor's expense.
5. **No Campaign Intervention/No Lobbying:** Grantee agrees that it will not use any portion of the Grant to intervene or otherwise participate in any political campaign on behalf of or in opposition to any candidate for public office within the meaning of Section 501(c)(3) of the Internal Revenue Code, including any regulations thereunder. Grantee shall also not use any payments made under this Agreement to carry on any lobbying activities whatsoever. Such activities include, but are not limited to, carrying on propaganda or otherwise attempting to influence legislation within the meaning of Section 501(c)(3) of the Internal Revenue Code and implementing regulations as well as under state law.
6. **Intellectual Property and Project Data:** Grantee shall own all right, title and interest, including all copyright interest, in and to any work product created in connection with the Grant project ("Project Work Product"), for example, communications, paid media, etc. Grantee hereby grants CEIR a nonexclusive, irrevocable, worldwide, royalty-free license to use any Project Work Product in connection with its research, educational initiatives, or other work. In addition, should CEIR wish to conduct research to study the initiatives funded by the Grant, for example, measuring the impact of the educational communications, Grantee agrees to cooperate with CEIR, including providing data, as CEIR reasonably requests.
7. **Grantee Status:** Grantee represents that it is either (i) a governmental unit as described in section 170(c)(1) of the Internal Revenue Code of 1986, as amended; or (ii) an organization exempt from tax under 501(a) and described in section 170(b)(1)(A)(vi) and 501(c)(3) of the Code. Grantee agrees to notify Grantor immediately of any change in its tax status.
8. **Grant Publicity/Disclosure/Use of Grantor's Name:** CEIR reserves the right to publicly disclose information about this Grant, for example, in a press release, on its website, in research reports, or to its funders. Grantee may make a public statement or otherwise

disclose the amount of the Grant, CEIR as the grantor, and a brief summary of the Project. If Grantee wishes to include additional information in its statement, it shall first obtain Grantor's prior written approval. Other than as set forth above, Grantee shall not use Grantor's name in connection with the Project. For example, Grantee shall not say that any of the Project Work Product (postcards, paid media, etc.) is sponsored, funded, or supported by CEIR.

9. Confidentiality: Grantee shall, and shall cause any of its affiliates, partners, trustees, directors, officers, employees, volunteers, agents and representatives, to keep strictly confidential and protect from disclosure i) any information Grantee receives from CEIR relating to CEIR's funders or funding agreements or arrangements; (ii) any information Grantor identifies as confidential at the time of disclosure, except to the extent that any such information identified in (i) and (ii) above has been publicly disclosed; (iii) as required by law, in which case Grantee will provide reasonable advance notice to CEIR; or (iv) with the prior written consent of CEIR. Grantee understands and agrees that that Grantor shall be entitled, to the fullest extent permitted by law, to seek equitable relief such as an injunction or specific performance for any breach of this provision.
10. Discontinuance of Grant: CEIR reserves the right to modify, suspend payment, or otherwise discontinue the Grant should Grantee fail to comply with the terms of this Agreement.
11. Limitation of Liability: NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR ANY INDIRECT, CONSEQUENTIAL, INCIDENTAL, SPECIAL, OR PUNITIVE DAMAGES OR LOST PROFITS ARISING FROM OR RELATING TO THIS AGREEMENT, REGARDLESS OF WHETHER EITHER PARTY IS ON NOTICE OF THE POTENTIAL FOR SUCH DAMAGES OR OF ANY LEGAL THEORY ASSERTED, INCLUDING, WITHOUT LIMITATION, CONTRACT, NEGLIGENCE, OR STRICT LIABILITY. However, the foregoing limitation of liability, shall not apply to damages arising out of breach of the confidentiality obligations set forth above.
12. Compliance with Laws. Grantee represents and warrants that it is legally authorized to enter into this Agreement and that Grantee shall comply with all federal, state, and local laws, regulations, rules, policies, procedures, or guidelines in connection with carrying out the Project.
13. Notice: If Grantee has any questions relating to the Grant or needs to provide any notices required under this Agreement, Grantee shall email Jacob Kipp, CEIR's Program Director, at jkipp@electioninnovation.org, with a copy to grants@electioninnovation.org. CEIR shall provide any notices required under this Agreement by email to:

14. General Terms: Neither party may assign this Agreement to a third party without the prior written consent of the other Party. Changes made to this Agreement are effective only if documented in writing by both parties. This Agreement is the parties' final and binding expression of their agreement and cancels, supersedes and revokes all prior negotiations, representations and agreements between the parties, whether oral or in writing, relating to the subject matter and term of this Agreement. No waiver by either party of any breach or default of any provision in this Agreement shall constitute a waiver of any subsequent breach or default. Section headings are for reference purposes only and are not part of this Agreement. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which shall be taken together and deemed to be one instrument.
